THE STORY

The Mas Cal Demoura estate encompasses eleven hectares of vineyards located in the village of Jonquières and in the neighboring community of Saint Felix, approximately 45 minutes (30 kilometers) northwest of Montpellier, just south of Clermont l'Hérault. They are situated in the heart of the Terrasses du Larzac, an independent subdivision within the Coteaux du Languedoc AOC that was recognized in 2004 for its distinctive ability to render wines of exceptional balance and depth due to the special micro-climate in which it is located. --RWM
