COUNTRY: Spain

REGION: Canary Islands **APPELLATION:** Tenerife

THE STORY

Juan Jesus is a proud native of Tenerife and the fourth generation of growers in the island. During the twenty-five years that he's overseen Bodegas Viñátigo, he has considerably increased its holdings, planting varieties that he and his team recuperated. The grapes are hand-harvested and fermented using indigenous yeasts. Grapes go through two triages, first in the fields and then again in the winery. Minimal sulfur is used in the winery and no synthetic materials are used in the winemaking.
