THE STORY

The pleasure of good wine is not just about balanced flavors, a fragrant nose, or lush colors. It's also about the moment when that first sip is taken, with family or friends, over favorite foods or during special occasions. Michael Pozzan creates wines for moments like those, wines that capture the best of the varietals he blends, vintage after vintage. His long-time experience with growers from premier Napa and Sonoma vineyards allows him to seek out and hand-select exceptional fruit each growing season. These are wines of high quality and exceptional value — wines you'll want to share with those you love, and with those who love wine.
