

Whitley Neill Rhubarb & Ginger Gin

THE FACTS

COUNTRY: United Kingdom

REGION: England

THE STORY

Whitley Neill Gin is a premium handcrafted artisanal gin range and an established English brand with heritage dating back to 1762. Whitley Neill Gin is distilled at the multi-award-winning City of London Distillery, the first, and still the only, gin distillery in The City of London in 200 years.

Johnny Neill is an eighth generation distiller, and direct descendant of Thomas Greenall and JJ Whitley. After initially forging a career in investment management, he went on to delve deeper into his family distilling heritage and started on a new career path, founding the popular Whitley Neill Gin brand in 2005. Using nine of the highest quality botanicals, Johnny launched Whitley Neill Gin, its Original London Dry Gin and a range of flavors inspired by both his and his ancestors travels.
