Oddero Barol<u>o 'Rocche R</u>ivera'

COUNTRY: Italy REGION: Piedmont APPELLATION: Barolo

The Story

Our company was born thanks to Luigi Oddero, an oenologist and man of great curiosity and culture, deeply and viscerally in love with his land, the Langa. A country gentleman, as Mario Soldati defined him in his 1975 interview reported in the book Vino al Vino, who contained within himself the peasant spirit and the long-term vision, representing the fusion between the energies of the past and the desire to look to the future.

> Today, after Luigi's passing, the company is managed by his wife Lena and his children, Maria and Giovanni, whose names are in honor of their grandparents, those who began the centuries-old history of the company. Here too, tradition becomes continuity, with a thread that links the beginning of the 19th century, the present and the future.
