We know the unique conditions present in the Swartland and the Riebeek Valley provide us with the ingredients necessary to create quality, delicious wine with soul. We are proudly and authentically W.O. Swartland. We have a passion for this unique landscape and for the people of the Riebeek Valley.

Riebeek Cellars Collection is the sum of the land and its people. It is here, in the heart of the Swartland where only the toughest vines and people thrive. Our wine celebrates this tenacious spirit in all of us.
