TRIM Chardonnay

THE FACTS

COUNTRY: USA - CA

REGION: California

APPELLATION: California

THE STORY

With more than 10,000 wine grape varieties globally, it's easy to get distracted when deciding which wines to produce. At TRIM, we believe that more doesn't mean better. This is why we dedicate 100% of our attention to produce a single Cabernet Sauvignon and a single Chardonnay. By trimming down our offering, we maximize our winemaking to create the best product possible, without additives, compromise, or distraction. It's Ray Signorello's focus, discipline, and authenticity that make these wines incomparable.
