THE STORY

Now proudly presiding over the Champagne House established by their father in 1985, for Garance and Stanislas Thiénot, their every move is guided by the single-minded pursuit of cultivating the intrinsic spirit of the land.

For almost 20 years as a broker in Champagne, Alan Thiénot combed the region's rolling hills in search of only the finest grapes for prominent, centuries-old Champagne Houses, and year after year honed his knowledge of the Champagne region. His father had previously managed Champagne Irroy, while his grandfather, a glassmaker, crafted high-quality bottles.
