## THE FACTS

COUNTRY: USA - CA  
REGION: Napa County  
APPELLATION: Napa County

## THE STORY

Established in 1882, Spottswode Estate is distinguished by the pre-Prohibition Victorian home depicted on the wine label.

Spottswode was christened by Mrs. Albert Spotts in 1910 and later acquired by Mary and Jack Novak in 1972. Mary released Spottswode's first Cabernet Sauvignon in 1982, exactly one hundred years after the estate's founding. Today, Mary's daughter Beth Novak Milliken manages the winery, and daughter Lindy Novak serves as the winery's Marketing Ambassador. Committed to producing wines with integrity that faithfully reflect their grape origins, Spottswode wines are especially known for their refined elegance, balance, and classic structure.
