

Dom Jean Chauvenet Nuits St Georges

THE FACTS

COUNTRY: France

REGION: Burgundy

APPELLATION: Nuits-Saint-Georges

THE STORY

With no less than seven premier crus complemented by serious Bourgogne Rouge and Villages-level cuvées, the comprehensive scope of Domaine Jean Chauvenet's vineyard holdings over their 9.5 hectares is among the greatest in the appellation. The wines of Nuits-Saint-Georges are not soft in their youth, but that is the true character of the terroir: robust tannins, dark fruit, and a mineral infusion from the iron-inflected soils that, taken together, can only come from this singular district. The estate's holdings are farmed with the underlying objective of achieving certification as an organic grower in the coming years. --RWM
