THE STORY

Every good story needs a hero, a villain... and a monster. Big Red Monster is savage beast hails from Paso Robles, California's real wine county. Clocking in at 15% abv, rugged Paso possesses the largest diurnal temperature difference of all California wine-growing regions. Days can reach over 100 degrees and nights can be in the low 30s. Extreme heat forges fruit with dark, bold, monstrously brooding flavors and freezing nights retain a juicy, racing acidity. Slay it.
