

Dom Crochet Sancerre Blanc

THE FACTS

COUNTRY: France
REGION: Loire
APPELLATION: Sancerre

THE STORY

It was Lucien's marriage to the daughter of Lucien Picard, and the subsequent fusion of the domaines of Lucien Picard & André Crochet (father of Lucien), that created the Domaine Lucien Crochet. Monsieur Picard was one of the very first growers in the Sancerre district to begin bottling his wines and selling them primarily to restaurants in Paris. Lucien Crochet expanded the work of his father-in-law and, over a 30 year period, also expanded the domaine so that it now encompasses 38 hectares of vineyards, almost all of which are located in the village of Bué with smaller holdings in the villages of Vinon and Crézancy. Twenty-nine hectares are planted to Sauvignon Blanc and the remaining 9 hectares are planted to Pinot Noir. Since 1989 only organic supplements have been used.
