Finca Arantei Albarino

THE FACTS

COUNTRY: Spain

REGION: Galicia

APPELLATION: Rias Baixas

THE STORY

Founded in 1985 by Mr. José Limeres Guille, actual Honorary President. La Val's trajectory leading us up to what we are today. Let's do a briefing of our history.

We start in O Rosal, located at the mouth of the river Miño, with a vineyard called La Val. From this we derive our name. We promoted the creation of Rias Baixas Denomination of Origin in 1988, and since then we hold membership in the Plenary of the Consejo Regulador organization.

The making of quality wines implies having a terrain to match it. This is why, in 1989 and 1990, we planted Arantei and Taboexa vineyards and later on, in 2012, Porto.
