## THE STORY

Vinos Atlántico was founded with the purpose of preserving the winemaking heritage of Alberto Orte's family. Independently producing wine throughout Spain since the late 1800s. Alberto produces two types of wines: wines of unique terroirs, which are labeled as Alberto Orte, and wines from village- designated vineyards that are more approachable, which are labeled as Vinos Atlántico. **PHILOSOPHY:** Alberto believes that low yields, balanced soils, and top-quality raw materials are three fundamental factors to creating terroir-reflective and balanced wines.
