THE STORY

Since they were first erected by Cistercian monks in 1365, the walls surrounding the Clos des Lambrays have harnessed the harmony of their 8.66 hectares of vines. This notion of the perfect union of the whole persists today and remains Clos des Lambrays' raison d'être. Over the course of the estate's 650-year history, the unity of the Clos has not always been secure. The French Revolution saw the vineyard split across 74 different owners, but its reassembly by the Rodier family in the late 1890s was a defining moment in the Domaine's past, influencing its present, and driving its philosophy, for the future, under the auspices of Groupe LVMH since 2014. In March 2019, Jacques Devauges joined the estate as the General Manager and the Chief Winemaker.
