## THE STORY

Delaire Graff Estate is situated in the heart of Stellenbosch, South Africa's most historic and prestigious wine region. The estate was founded in 1679 by Simon van der Stel, whose sound knowledge of viticulture and the art of winemaking fostered traditions that have grown through the centuries. In 1982, John Platter, the well-known wine writer, bought the estate, then known as Avontuur. Looking at the magnificent view, he decided to rename the farm Delaire Estate, meaning "From the Sky." Laurence Graff, Chairman of Graff Diamonds International, acquired the estate in 2003 and vowed to transform it into South Africa's most desirable art, hospitality and wine destination.
