THE STORY

Established in 1952 Hambledon Vineyard prides itself on a long and rich heritage of innovation in English winemaking. As England's oldest vineyard, it is nestled within the 'Cradle of Cricket' in the picturesque village of Hambledon, Hampshire.

PHILOSOPHY: Today, under the leadership of General Manager James Osborn and Winemaker Felix Gabillet, the team aims at producing the best English sparkling wines with minimal intervention, while continuing to develop the global recognition of England's oldest commercial winery.
