

Savage White

THE FACTS

COUNTRY: South Africa

REGION: Western Cape

THE STORY

Duncan Savage launched Savage Wines in 2011 while still making acclaimed whites for Cape Point Vineyards. By 2016, the project had grown into a full-time pursuit. Working with leased vineyards and grower fruit from old vines across the Western Cape, Savage crafts wines defined by tension, texture, and restraint. His new urban winery in Salt River, Cape Town, is the home for these site-driven, low-intervention bottlings. With a focus on freshness, elegance, and natural balance, Savage Wines reflects a deep connection to South Africa's coastal terroirs.
