

Wander + Found Cuvee Blanc

THE FACTS

COUNTRY: Germany

REGION: Rhine

WINEMAKING: Crafted from a blend of Chardonnay, Pinot, and Pinot Blanc. Fermented in stainless steel, then dealcoholized using gentle vacuum distillation at ~30°C to preserve the wine's natural character and structure.

ALCOHOL BY VOLUME: 0.5%

AGING: No aging – stainless steel fermented to retain freshness

THE STORY

Crafted in Germany's renowned Rhine region, Wander + Found is produced with the same care and technique used in traditional winemaking. By using gentle dealcoholization methods, the producers preserve the integrity, minerality, and character of classic German wines, offering a premium alcohol-free option rooted in quality and heritage.
