THE STORY

Paladin was founded by Valentino Paladin in 1962, near Treviso in Motta di Livenza. He moved soon after to Annone Veneto, a historic village on the ancient Roman road Postumia. Valentino discovered his passion for winemaking as a child following his grandfather around a cellar, and passed that on to his family who now operate under a third generation. Valentino's granddaughter Francesca now runs operations with the same passion and dedication

PHILOSOPHY: Oscar Wilde said, "Tradition is a successful innovation." Paladin has set their operational philosophy on this quote. Tradition and innovation are not mutually exclusive, and by respecting the roots of the family and their winery, as well as the land, the innovations used to enhance the quality and yield of the wine can only be seen as successful.
