THE STORY

Trentadue Winery is small family owned with rich Italian heritage. For over 55 years, we have a history of growing premium wine grapes on the Alexander Valley estate vineyard, with some vines dating back to 1886. We strive to balance the traditions of the area's early Italian growers and the ever-evolving viticulture industry.

PHILOSOPHY: Make the best wine possible from the grapes grown on the Trentadue Estate. Great respect to specific Terroir, allowing every vintage and variety to express itself without restriction and intervention.
