

Beaver Creek Vineyards Sauvignon Blanc Pet Nat

THE FACTS

REGION: California

APPELLATION: Lake County

CEPAGE: 100% Sauvignon Blanc

WINEMAKING: The grapes come from 45 years old dry farmed vineyard and the yield is about 2 tons per acre.

THE STORY

“Let nature create the wonders and we will work hard to support and enhance her efforts.” Guided by this credo, Beaver Creek’s certified organic and Biodynamic vineyard specializes in small lot, limited production wines which are completely natural and additive free. Located in California’s Lake County, Beaver Creek Vineyard is housed on Horne Ranch, a dynamic ecosystem of animals and gardens, all of which contribute to vitality of their grapes, and the depth and balance of their wines.
