## Firriato L'Ecru

## The Facts

COUNTRY: Italy REGION: Sicily APPELLATION: Sicilia

## The Story

Firriato is in the province of Trapani, one of the most magical parts of the wine region of Sicily, where centuries of vine growing have given this area a natural ability to produce wines with a strong sense of identity. Firriato's strength lies in the consistent choices it has made. Especially those that focus on nature, biodiversity, protecting the landscape and innovation.
