## THE FACTS

COUNTRY: Austria

REGION: Wagram

APPELLATION: Wagram

## THE STORY

"We make wines that fit our tastes: deliberate, linear and vibrant."

– Martina Ehmoser

We trust the instincts of our ancestors and concentrate our efforts on traditional regional varieties. Our wines are shaped by the loess and the climate. What matters to us are strict quality standards, originality and character. We harvest exclusively by hand. Our wines are ambassadors of great joy — now and for many years to come.
