

Vini dei Politici

Rosso Montepulciano d'Abruzzo

THE FACTS

COUNTRY: Italy
REGION: Abruzzo
APPELLATION: Abruzzo

THE STORY

These wines are some of the best "hidden gems" of the Bowler value portfolio. Vinified exclusively for us by a fantastic family-owned estate in Abruzzo (which must remain nameless here), the Montepulciano and Pinot Grigio under the Politici label are actually small production wines, estate grown, and EU certified Sustainable, Certified Vegan and Certified "low carbon footprint" in Italy. The wines are bottled in liters as a nod to the tradition of casual "country wines" poured in Italy at parties, holidays, and family gatherings. Fruity, lively, and pure, they are wines to celebrate with--even if it's only on a Tuesday night with pepperoni pizza.
