

# Edaphos Steel Plow Grenache

## THE FACTS

COUNTRY: USA - CA

REGION: Sonoma County

APPELLATION: Sonoma County

## THE STORY

The Greek word Edaphos translates as dirt, soil, or ground; we chose this word because these wines are of their place. At Edaphos, we produce unique, small-lot, single-vineyard bottlings of remarkable varietals in California. Our vineyards are located throughout Sonoma and Mendocino counties.

We start with sustainable, organic, and biodynamic farming in the vineyards, continue with minimal intervention in the cellar, and share full transparency of process. These wines are made with intention and with curiosity; we encourage you to try them in the same light.
