THE FACTS

THE STORY

Saltie Girl Rosé was created by lifelong friends Kathy Sidell and Bradley Groper. Neighbors growing up in their native Boston, their mothers have been best friends for over 70 years. They were often found at each other's dinner table. Sharing formative and memorable times replete with fabulous wines, food and company greatly formed each of their futures. Saltie Girl Rosé was born with the spirit of these evenings and a true combination of both family's passions. Together, Kathy and Bradley have sourced and crafted a sumptuous Rosé blending both of their enthusiasm and expertise for hospitality, food, and great wine.
