THE STORY

Stonewood makes it easy to enjoy good taste everyday with 100% California wines. These finely balanced releases are crafted from vineyards with below average yields to provide true varietal flavors and delicately balanced fruit, acidity and tannins. This style makes Stonewood an exemplary choice for a wide-ranging array of appetizers and entrees. Stonewood Pinot Noir is our “house red” and appears frequently as an accompaniment for baked chicken, salmon and an assortment of hearty stews and soups.
