THE STORY

Founded in 2010, Orion Wines is the result of a simple yet stunning synergy between two people: Alessandro Michelon and Elena Ciurletti. Together they bring to the international markets intriguing, innovative and delicious wines by combining tradition, innovation and most of all, a true passion for wines. Rocca del Dragone is one of these passion projects, offering vegan, accessible expressions of Aglianico and Falanghina from low-yielding vineyards in the province of Avellino.
