## THE FACTS

COUNTRY: France REGION: Burgundy

APPELLATION: Clos de Vougeot

## THE STORY

""One of the best known symbols of Burgundy, Domaine
Méo-Camuzet was founded at the beginning of the last
century by Étienne Camuzet (member for 30 years of the
French Parliament). Mr. Camuzet slowly built the Estate by
purchasing some of Burgundy's most exceptional vineyards,
most notably in the Clos de Vougeot. As of 1985, the estate
began selling under its own label, directly from the cellars. All
the appellations of the domain are harvested and vinified by
Meo Camuzet. Jean-Nicolas Méo is in charge of the Estate.
Henri Jayer advises him on winemaking and Christian Faurois
is vineyard manager.
