THE STORY

The fifth and sixth generation of a wine-making family who, along with our co-workers at Bodegas Ochoa, get up every day with a clear aim in mind: to work the land, striving without reserve to produce quality wines while keeping true to our principles, our land, and our history.

PHILOSOPHY: We share a strong and unshakable philosophy based on respect for the environment. We tend our land, our vines, and our grapes with the utmost care in order to get the best out of them.

BIOGRAPHY: Bodegas Ochoa is one of Spain's most dynamic wineries. Family owned and run since 1845, it is based in Olite, a small-town, and capital of Navarra, where the King had the summer residence in medieval times and Ochoa was the wine supplier. We keep an invoice from 1370.
