THE STORY

""One of the best known symbols of Burgundy,
Domaine Méo-Camuzet was founded at the beginning
of the last century by Étienne Camuzet (member for 30
years of the French Parliament). Mr. Camuzet slowly
built the Estate by purchasing some of Burgundy's most
exceptional vineyards, most notably in the Clos de
Vougeot. As of 1985, the estate began selling under its
own label, directly from the cellars. All the appellations
of the domain are harvested and vinified by Meo
Camuzet. Jean-Nicolas Méo is in charge of the Estate.
Henri Jayer advises him on winemaking and Christian
Faurois is vineyard manager.
