## THE FACTS

COUNTRY: Italy

REGION: Sardinia

APPELLATION: Isola dei Nuraghi IGT

## THE STORY

The Surrau vineyards extend in the easternmost part of Gallura, in sunny valleys, caressed by the clean mistral wind that blows from the mouths of Bonifacio. Here the vine is nourished by the granite sands of the Juannisolu and Capichera hills, by the clays of the Pastura and Cascioni plains and by the fragrances of the Mediterranean scrub of the Surrau valley.
