THE STORY

Brothers Xabi, Iñaki and Mikel Sanz created Viña Zorzal in 2007, taking advantage of their long history and tradition as a winemaking family in Correla, Navarra. They own 40 hectares, 25 of which planted with the traditional Garnacha of the land.

The wild bush vines are old, many centenarian, and are farmed organically. The remaining land is planted with Graciano (which quickly made their fame), Tempranillo, and some Garnacha Blanca and Chardonnay.
