THE FACTS

COUNTRY: France

REGION: Rhone

APPELLATION: Costieres de Nimes

THE STORY

The Castillon family has already been pacing this terroir for 4 generations. We are located on the South side of the Costières de Nîmes, facing Camargue and the Mediterranean Sea, which brings our wines delicacy and originality. Being environmentally responsible is the first commitment of "Château l'Ermite d'Auzan". We share the values of organic farming and got our certification in 2020. With Tanguy's arrival, we decided to go further and begin biodynamic farming, permaculture and the production of our own inputs. Today we are heading to biodynamic farming methods and permaculture. This is our gift for the next generations: make our vineyard and our planet cleaner and healthier.
