

Tanca Gioia Vermentino di Sardegna

THE FACTS

COUNTRY: Italy

REGION: Sardinia

APPELLATION: Sardegna

THE STORY

With the peculiar name “U-Tabarka” the winery wants to pay homage to our land: this name is taken from Tabarka, a small tunisian village, where a small colony of Genoese fishermen settled in late 11th century. In 1738 the same colony moved totally to the Island of St. Peter, once uninhabited.
