

Nittnaus Anita Red Blend

THE FACTS

COUNTRY: Austria

REGION: Burgenland

APPELLATION: Neusiedlersee

THE STORY

Nittnaus' cellar practices serve to highlight the energetic and lovely character of their abundantly healthy fruit: they employ only spontaneous fermentations; and, for aging, they favor 500-liter Stockinger casks, whose tight-grained, low-toast, low-impact construction allows for maximal expressiveness and facilitates ultra-modest sulfur additions. --RWM
