### THE STORY

Winemaker Rosemary Cakebread's vision for a wine of her own GALLICA, grew slowly. Named for an apothecary rose our organically farmed single vineyard wines have a focus on aromatics.

**PHILOSOPHY:** The philosophy is a simple one: to craft elegant single vineyard wines farmed organically which accurately depict the site and the story of each unique vintage.

**BIOGRAPHY:** Rosemary's earned her reputation for excellence quietly. She's known for making distinct wines notable for restraint and elegance. A graduate of University of California Davis' Viticulture and Enology program, she was introduced to Cabernet Sauvignon at the historic Inglenook Vineyards. From early cellar jobs to a winemaking position at Spottswoode Vineyard + Winery, Rosemary's built her career around a love for wine.
