

Don Martino Bonarda Vino Violeta Old Vine

THE FACTS

COUNTRY: Argentina
REGION: Mendoza
CEPAGE: 100% Bonarda

THE STORY

The 18.5 acre estate vineyard is situated at 3850 feet above sea level in Agrelo, a sub-district within the Luján de Cuyo appellation of Mendoza. The ungrafted Malbec vines were planted in 1926. Stylistically, Fincas Don Martino stands solidly in the old-school camp, with savory aromatics (cigar bands, polished leather, coffee) balancing floral lift.

BIOGRAPHY: Consultant winemaker is Attilio Pagli, a Tuscan winemaking legend who now spends a great deal of time in Mendoza consulting and exploring the full extent of old-vine Malbec's expression.
