Gratitude

Mission Synod Department of the Ukrainian Orthodox Church in Social and Humanitarian Issues expresses its gratitude to you for your assistance in providing assistance to people affected by the war in Ukraine.

There is an urgent need for food and medicine for refugees and those who remain in besieged cities today.

We are grateful for any kind of help, with the money transferred, we buy everything we need and give it to the neediest.

God bless you for your good deeds!

Sincerely, head of Synod Department in Social and Humanitarian Issues
Prot. Sergiy Ekshiyani
